

**Decommissioned Library Books
January 2012**

Zones and Plans of Weakness and Rocks and Slope Stability
Technology in the Design of Structures
Formwork for Concrete
Decision Table Formulation of The 1969 Aisc Specification
Solis in Construction
Plastic for Architects and Builders
Engineering Soil Machines
Handbook of Applied Hydraulics
Foundations of Structures
Procedures for Testing Soils
Godfreys Structural Tables
Reinforced Cement Concrete
Mechanical Drawing Including Blueprint Reading
The Science of Decision Making
Soil Mechanics
Formwork for Concrete Structures
Basic Structure Design
Elastic Stability of Structures
Energy Principles in Structural Mechanics
Basic Structural Analysis
Methods of Materials Selection
Elementary Surveying
Elements of Mechanics of Materials
Surveying Manual
Theory of Structures
Elements of Surveying
Strength of High Alloys
Basic Concretes of Structural Analysis
Engineering Mechanics of Deformable Bodies
Applied Field Surveying
Corrosion Handbook
The Originals of Invention
Craftsman of Necessary
The Land Divided
Water Waves
Engineering Encyclopedia
Hydraulics
A Freehand Approach To Technical Drawing
Mechanical Drawin
Blueprint Reading For The Construction Trade
Bridges, Canals, and Tunnels
Fundamentals of Engineering Drawing
Mathematics for Management (4 vols)
Design Graphics
Fundamentals of Engineering Drawing (Luzadder)

Decommissioned Library Books January 2012

Work Improvement
Network and Certification
System Analysis Techniques
Engineering Drawing and Design (2 Copies)
Practical Mathematical and Statistical Techniques for Production Managers
World Conference on Continuing Engineering Education
Water and Water Pollution Hanbook (4 vols)
Water Supply Engineering
Hidden Dangers
Water Supply and Treatment
Poisoned Power
Water, Supply, Treatment and Distribution
Nation Accomplishments in Pollution Control 1970-1980
The State of the Environment
Basic Environmental Technology
Complex Cleanup
Chemistry in the Environment
Pump Engineering Data
Handbook of IC Circuit Projects
From Engines to Autos
Iron Brew
Trasitor Electronics
Soviet Space Programs 1971 -75 (2 Vols)
Electricity, Electronics and Electromagnetics Principles and Applications
Highway Engineering (4 th Ed.)
Single Sideband Fir The Radion Amateur
Electronic Trouble Shooting a manual for engineering and technicians
The Gas turbine Engine
Machine Shop theory Metalworking Trainees
Outline For Dc circuit Analysis with illustrative
Nuclear Reactor Plant Data
Pulse And Switching Circuit Measurements
Power Metallurgy Guide Book
Designing For Economical Production
Factors Affecting Quality of Frozen Prepared Food Products
Cryogenics the uncommon cold (2 Copies)
Unsafe At Any Speed
How To Get Your Car Repaired Without being Gyped
Listen! The Wind
How To keep Your Volkswagen Alive
How To Drive Better And Avoid Accidents
Fundamentals Of Electric Circuit
Drive It Forever
The Coal Primer
Basic Metallurgy and Metal Working

Decommissioned Library Books January 2012

Introduction To Chemical Engineering
Alcoa Aluminum Handbook
Master planning The Aviation Environment
Isotopes In Action
Thorium And The Third Fuel
Atomic Fuel
Women of Vision
Camera Journalism Reporting With Photographs
Weaving a creative approach for beginners
The Standard Book Of Quilt Making
Electrical Power Technology
Plane Surveying
Compressed Air Handbook
A.S.M Standards on Cement
Astronautics and Space Exploration
The Guggenheims
Automotive Electricity
Hardness: Theory and Practice
Indentation Hardness Testing
Engineering Mechanics
Wood Technology
NASA University Conference (2 Copies)
Television (2 nd Ed.)
Latent Image
World Watch Paper 103
Psychotherapy And Existentialism
Warping All By Yourself
The Joy Of Sewng
The World Of Eli Whitney
Scotch Whiskey
Guide to Filmmaking
Phillip Herben's Cookery Encyclopedia
Electrical Machines
Painting, Photography, Film
Electrical Machines: Direct and Alternating Current
Pottery: A Basic Manual
Crochet and Creative Design
The Craft of Crocheted Afghans
Craft of Crewel Embroidery
Woodstock Craftsman Manual (2 Copies)
Macrame You Can Wear
The History of Photography (2 Copies)
Portrait of a Decade
Design Yourself
Reverence for Wood

**Decommissioned Library Books
January 2012**

The Persuasive Image
The Family of a Man
Crafts for the Very Disabled and Handicapped
Film Fantasy Scrapbook
A Life in Photography
The Chinese
U.S Camera
Symbols of America
The History of Photography
An MGI Professional Reference
The World of Originals
Automotive Air Conditioning
Fifty Years of Popular Mechanics
Technical Writing
The Instinct of Workmanship
Bushcraft: A Serious Guide to Survival and Camping
Automotive Electrical and Electronic Systems
Fighter
Basic Metallurgy: Principles Physical Metallurgy for Ferrous Castings
Stress: A User's Manual
Euell Gibbons Beachcombers Handbook
The Last Whole Earth Catalog
The Man Who Invented The Moving Picture
Dune: the Butlerian Jihad
Robbie's Wife
The Protector
The Maltese Goddess
How to Kiss a Hero
The Messenger
Dark Passage
Ursula, Under
The Faith Club
Triple Cross (hardcover)
The Hiding Place
Relative Danger
Forty Words for Sorry (hardcover)
Popped (hardcover)
Devil in the Details
Twanged (hardcover)
Golden Buddha
Secrets
The Hard Way
Blind Side
Trace
Tell Me Lies

**Decommissioned Library Books
January 2012**

A Bend in the Road
The Mediterranean Caper
Bad Luck and Trouble
Santa Cruise
Breeding Evil
The Third Secret
Chill Factor
Double Shot
Polar Shift
Two Little Girls in Blue
Gideon's Angel
The Amateur Marriage
Back When We Were Grownups
A 3 rd Serving of Chicken Soup for the Soul
Visions of Sugar Plums (hardcover)
Plum Lucky (hardcover)
Deadly Vintage
Naturally Thin
The Fighting Agent (hardcover)
Personal History (hardcover)
Star Names: Their Lore & Meaning
The Plains of Passage (hardcover)
A Thousand Acres (hardcover)
Acceptable Risk (hardcover)
HOT
A Great Day for Dying
Implant
So Shall You Reap
Summer of the Big Bachi
Painted by the Sun
Iron Orchid
Maisie Dobbs
Vinegar Hill
The Unquiet
The Singing Stones
Where Are You Now?
Impulse
Wild Fire
The Company
Manage Your Time to Reduce Your Stress
The Little White Car
A Million Little Pieces
The Ghost War
The Grand Finale
Other Earths

Decommissioned Library Books January 2012

A Dog among Diplomats
The Vampire Files: a Chill in the Blood
Winter People
The Red-Hot Cajun
Welcome Temptation
The Closers
Confessions of a "Wicked" Woman
Introduction to Amplifiers
Computer Networks: A Tutorial (2 copies)
Manned Spacecraft: Engineering Design and Operation
Technique of Microwave Measurements
Basic Principles of Electronics
Electronic Engineering Principles
Electronic Fundamentals and Applications
Essentials Communication Electronics
How to Repair: Major Appliances
Electronics
A Programmed Text Use of the Oscilloscope
Computer Logic Design
Lasers
Sound Synthesis Analog and Digital Techniques
The Wired Nation
Auto Radio Servicing Made Easy
Electronic Switching Circuits Boolean Algebra and Mapping
Purification with Activated Carbon
Industrial Electronics Reference Book
How to Repair Solid-State Imports
Microwave Measurements for the Technician
Microelectronics
A Survey of Switching Circuit Theory
Linear Microelectronic Systems
Switching Circuits
Electromagnetic Waves: Microwave Components and Devices
The Computer from Pascal to Neumann
Teletext and Videotex in the U.S
Motor Control Electronics
Integrated Circuit Engineering
Master Handbook of Digital Logic Applications
Antenna Manual
Electronics for Engineers
The Technique of Special Effects in Television
On the Cable: The Television of Abundance
Color TV Trouble Factbook
Videotography
Cassette Tape Recorders: How They Work- Care & Repair

Decommissioned Library Books

January 2012

Tape Recorders: How They Work
Handbook of Magnetic Recording
Easi-Guide to Four-Channel Stereo
Servicing Modern Hi-Fi/Stereo Systems
Four Channel Sound
Getting the Love You Want: A Guide for Couples
All About Internet FTP
TV Trouble-Shooter's Handbook
Cable Television: A Handbook for Decisionmaking
Pulse, Digital, and Switching Waveforms
McGraw-Hill Electrical and Electronic Engineering Series
How to Test Instruments in Electronics Servicing
They Flew the Atlantic
Stranger to the Ground
Origins of NASA Names
Satellites, Rockets, and Outer Space
UFOs & Outer Space Mysteries
Netware for Dummies
We Reach the Moon
Principles of Transistor Circuits
Transistors: a Self-Instructed Programed Manual
Transistor Physics and Circuits
CB Radio Operator's Guide
Transistor Audio Amplifiers
ABC's Of Citizen Band Radio
Principles of Microwave Circuits
Transistor/Circuit Engineering
Electronic Concepts, Principles & Circuits
Television Theory and Servicing
Frequency Modulation Engineering
Understanding Solid-state Circuits
TV Lighting Handbook
Introduction to Electronic Circuits
How to Fix Transistor Radios & Printed Circuits
Chemical Machinery
Chilton's Motorcycle Troubleshooting Guide
Very high-Frequency Techniques
The Complete Motorcycle Book
Bicycle Repair and Maintenance
Process Calculations
How to Build and Use Electronic Devices without Frustration, Panic...
Radio & Line Transmission (3 vols)
Video user's Handbook
Logic Circuits
Introduction to Switching Theory and Logical Design 2 nd Edition

Decommissioned Library Books January 2012

Pulse and Logic Circuits
FM Stereo-Quad Receiver
Principles of Television Engineering
Integrated Electronics
Electronic
Circuits for Technicians
Basic Television Theory and Servicing
Television Symptom Diagnosis
Television Electronics: Theory and Servicing
Vacuum tube Electronics
Transistor Engineering
Television Engineering Handbook
Local Networks
Introduction to Electron Tubes and Semiconductors
Klystrons and Microwave triodes
Digital Electronics: Troubleshooting 2 nd ed
Microminiature Electronics
Mastering Lan Enabling Technologies
Microwaves
Lasers and Their Applications
The Handbook of International Connectivity Standards
Gas Lasers
Issues and Problems in Computer Networking
Lasers: a Survey of Their Performance and Applications
Crystal Rectifiers
Measuring Hi-Fi Amplifiers
Feedback Amplifiers and Oscillators
Engineering Design Computation Manual
The Dymaxion World of Buckminster Fuller
Handbook of System and Product Safety
Study guide and problems supplement engineering mechanics/statics
Engineering Mechanics
Engineering Mechanics Statics and Dynamics
Engineering Mechanics Statics
Engineering Mechanics Statics and Dynamics
Elementary Statics and Strength of Materials
Engineering Mechanics
Human Information Processing
Instrumentation
Civil Engineering Today
Records and Research in engineering and industrial science
Applied Mechanics for Engineering and Technicians
Programmed Principles of Static
Engineering Dreams
Motion and Time Study

Decommissioned Library Books January 2012

The American Civil Engineer
Capital and Operating Cost of Sewage Treatment
Reliability: Management, Methods, and Mathematics
Systems Engineering Methods
Systems Analysis and Design: In Engineering, Architecture, Construction, and Planning
Experimental Fluid Mechanics
Systems Engineering Methods
Systems an analysis and design in engineering, construction, and Planning
Management and the worker
Beautiful leaved plans
The New York Times Book Annuals and Perenials
Destructive and Useful Insects
Plant Pathology
Grape Growin
Fredeerick W Taylor Father of Scientific Fiction Management (2 Vols)
Nature Study For Conservation
The New Greenhouse Gardening for everyone
Spons Landscape Handbook Specifications and Prices
Tree Care
Brown Gold The Amazing Story of Coffee
The Mighty Leaf
The Story of Tobacco In America
The Bean Sprout Book
Encounters With The Archduid
Soil Physics
Elements of Material Science
Seeds of Chain
Companion Planting for Successful Gardening
An Introduction to the Art Engineering
Introduction to Material Science
Soil Physics
10 Cases in Engineering Design
Construction Materials and Processes
Analytical Mechanics for Engineers Dynamics
Philosophy and Technology
Mechanics Part 1 – Statics
Engineering Mechanics: Statics and Dynamics
Engineering Mechanics
Applied Engineering Mechanics
Statics and Strength of Materials
Statics and Strength of Materials (4 th Ed.)
Applied Mechanics for Engineering Technology
Process Instruments and Controls Handbook
The Specification sand Law on Engineering Works
The Structure and Properties of Materials (4 Vols)

Decommissioned Library Books January 2012

Theories of Engineering Experimentation
Fluid Mechanics (2 nd Ed)
Statistical Analysis for Engineers and Scientists (A Computer-Based Approach)
Soil and Civilization
Ultrasonic Technology
Our Debt To Greece and Rome
Safety and Economy in Heavy Construction
Standard Handbook of Engineering Calculations
Engineering Manual (2 nd Ed)
George Washington Carver (2 Copies)
Tree Pathology a short introduction
Insects and Diseases of Ornamental Trees and Shrubs
Soil Geography
Soils and Soil Fertility
The Study Of Soil In The Field
Soils and The Environment
History of agriculture In Southern n United States To 1860
The Advance Of The Fungi
The Agricultural Revolution 1750-1890
The Well Furnished Garden
Living Free
Men, Machines and History
Born Free
Inventors Progress
A History of Technology (2 Copies)
Man The Marker
English Skills for Technicians
A History of Western Technology
Technology and Culture
Scientist Must Write
World Book of Great Inventors
Enjoying Birds Around New York
A History of Mechanical Inventions
Technology In Western Civilization (2 Vols)
A Short History of Technology
Men, Machines and Modern Times
The World Realm, Animals of East Africa
Technology and Social Change
The Life of Mammals
Operating Manual For Spaceship Earth
Birds of New York State
A Hero of Red Deer
In The Shadow of Man (2 copies)
The Behavior of Domestic Animals
The Blue Whale

**Decommissioned Library Books
January 2012**

King Solomon's Ring
The Behavior of Animals
Porpoises and Sonar
Social Behavior in Animals
The Sexual Code
Readings and Population and Community Ecology
The Study of Instinct
Comparative Psychology; A Modern Survey
The Oxford Companion to Animal Behavior
The Natural History of Mammals
The Distribution and Abundance of Animals
Ecology of Animal Parasites
The Territorial Imperative
The Biology of Animal Parasites
The Biology of Populations
Principles of Animal Ecology
The Outlook of Timber in the United States
Fire Weather
The Small Garden
The Growing Year
The Manual of Brands and Marks
The Care and Breeding of Laboratory Animals
Eleventh Hour
Naturalist Guide to Fresh-Water Aquarium Fish
Whales and Whaling
Whales and Destiny
The Complete Angler
The Thoroughbreds
The Ecology of Stray Dogs
The Beginners Guide to Horses
History of the American Whale (2 Vols)
The History of Whaling in the Western Arctic
Theodore Roosevelt's America
Whale Ships and Whaling
Prospecting For trout
Technical Writing
American Mammals
Campers Guide To woodcraft and Outdoor Life
How to Write and Publish a Scientific Paper
Meditations on Hunting
Fly Casting with Bill Cairns
Neotropical Wildlife Use and Conservation
Evolutionary History of the Primates
The Serengeti Lion
Naturalistic Behavior of Nonhuman Primates

Decommissioned Library Books
January 2012

Anatomy of the Cat
The Social Primate
The Mountain Gorilla
The Evolution of the Man's Capacity for Culture
God's Dogs
The Natural History of The Gorilla
Abominable Snowmen: Legend Come to Life
The Spotted Sphinx
The Carnivores
Recent mammals of The World
Primates (5 Vols)
Sociobiology
Total Number of Books: 500+
