

## About Cattaraugus County

**Cattaraugus County** is a county in the western part of the U.S. state of New York, with one side bordering Pennsylvania. As of the 2010 census, the population was 80,317. The county seat is Little Valley. The county was created in 1808 and later organized in 1817.

Cattaraugus County comprises the Olean, NY Micropolitan Statistical Area, which is included in the Buffalo-Cheektowaga, NY Combined Statistical Area. Within its boundaries are the Allegany Indian Reservation of the Seneca Nation of New York, and the Allegany State Park. The Allegheny River runs through the county.

According to the U.S. Census Bureau, the county has a total area of 1,322 square miles, of which 1,308 square miles is land and 14 square miles, (1.1%) is water.

Cattaraugus County is in the southwestern part of the state, immediately north of the Pennsylvania border. The southern part of Cattaraugus County is the only area of western New York that was not covered by the last ice age glaciation. It is noticeably more rugged than neighboring areas that had peaks rounded and valleys filled by the glacier. The entire area is a dissected plateau of Pennsylvanian and Mississippian age, but appears mountainous to the casual observer.

A continental divide between the Mississippi River and Great Lakes watersheds runs through Cattaraugus County

The northern border of the county is formed by Cattaraugus Creek and the Allegheny River flows through the county.
